

Guardian Angel

Hello to all of my family and friends,
My life on earth has come to an end.

For life is what I have at last,

My aches and pains are in the past,

I will miss all of my boys and girls you see,

But please keep an eye out on my special tree,

Please don't cry because I am anew,

There are still things that God needs me to do,

My journey is not finished,

I'm still ready and able,

To take on my new role as your guardian angel,

I am home now and I can see,

I have family here to be with me,

So I'm saying good bye for now and going to rest,

But know that I loved you with my very last breath.

With sincere appreciation, we wish to thank our many friends for their expressions of kindness during our bereavement of our loved one. May God bless each and everyone of you.
