

*In Loving Memory
I'll Miss You Always
Daddy*

My heart has been left broken since the day you had to go

And the memories I treasure dearly are in the tears that still flow

Your're in my thoughts everyday and that's how it will always be

For you may be up in Heaven now but you'll always be with me

If Only I could have the chance to see your face once more

Or to hear your voice one final time just like it was before

The day that Heaven calls for me will be a relief from all this pain

I'll run to you with open arms and we'll meet again
