Obituary

My name is Ralph Lanier Battle, born June 6, 1955 in Valhermoso Springs, Alabama. To the union of the late Albert and Bessie Battle. In addition to our family of 3 my parents had my little brother Ray and my little sister Josephine. In 1962 my parents decided to move the family to Toledo, Ohio. After moving to Toledo, I was enrolled in Roosevelt then Gunkel Elementary, Robinson Jr High and later attending Devilbiss High School graduating with the c/o 1973. Always having a passion for cars and motorcycles. I started drag racing first it was Cocaine Katy and then Mr. Ugly my orange machine. My hobbies were never limited, at any given moment you might catch me on a bank fishing, in a field playing ball, in the kitchen cooking even baking my famous mystery cake or under the hood of somebody's car. Basically I was definitely a jack of all trades.

Fresh out of high school my dad got me a job working with him at Gill Asphalt later changing names to Snowden Construction. Eventually I started working at Unicast later retiring.

On March 22, 2020 the Lord had plans for me to join my beautiful parents Albert and Bessie, my granddaughter Keionna Gray, my uncles, aunts and a few other relatives.

I'm leaving the best parts of me to cherish my memories and keep my spirit alive and well. My Daughter's, aka my babies, Tneshela Peterson, Tammi Turner, Tarina Allen and my Son Aaron Shinaul Sr.(Toya). My grandkids KeiAndre, Quavon(Kamaria) Bashonti, Keionn, Bashaud, Aaron Jr., Brianna, Sydni, Levell & Juanya. My brother Ray (my sidekick) my lil sister Josephine and my sister n law Peggy. Along with my beautiful nieces Sherese (Maurice), Deta, Sanitra, April my handsome nephews Fred (Tambria), Al (Sabrina) and Ray Jr. Aunts Lorine, Corine, Macie and Gracie. My dear Friend (ole boy) Eddie Craig. My cousins & friends were like my brothers and sisters. In life there is death just remember me and the moments we shared and just know I was born a fighter and I fought going home. I love each and everyone of you.

Until we meet again, I am

To Our Dearest Brother

Thank you for all the beautiful memories which includes sibling arguments, fights, your love, guidance and being our protector as most big brothers are. Today is not good bye it's we'll see you later!

Dad you brought so much to our lives

Sunday football, westerns, the best pot of beans in the world and that famous mystery cake. Dad this little paragraph doesn't sum up what you mean to us. We will cherish every moment rather it was individually or all of us together. We love you

Granddad

Thank you for everything from diaper changes, potty training, the tire changes and those special talks. Thank you for being that someone special in our lives.

Uncle

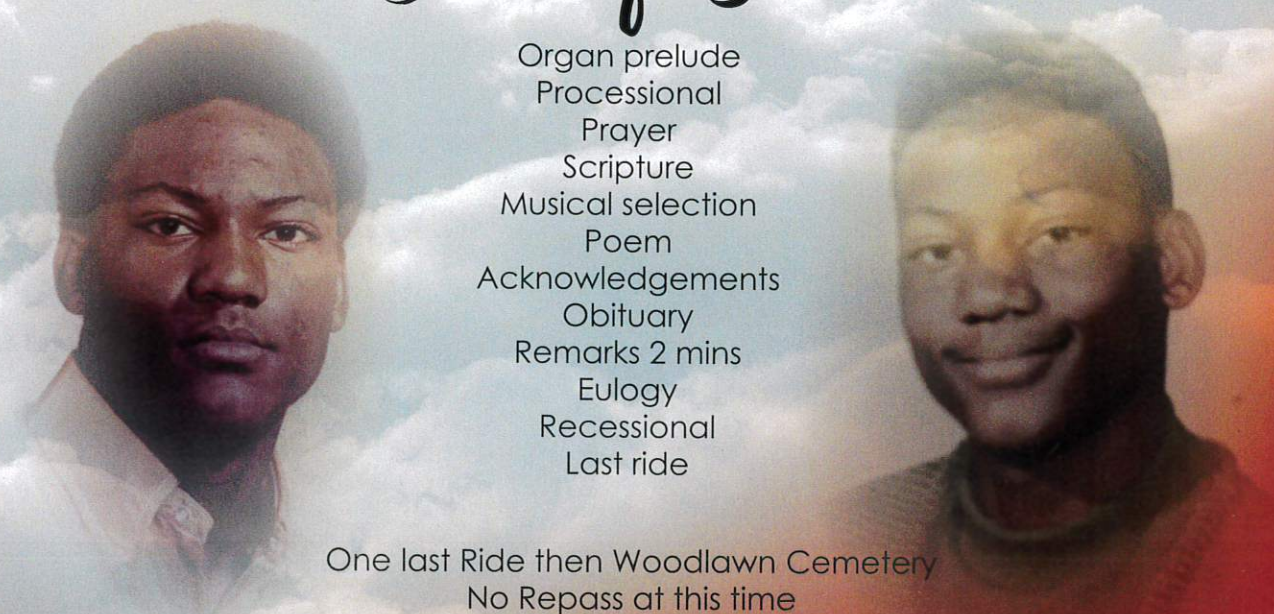

Thank you for being that dude! Uncles are just like dads and trust me you were exactly that dude in more ways than one. Your love care and concern helped me in ways that no one but you and I will ever understand.

Cousin, Brother, Friend
