

*Although God has called you home
It doesn't mean you're fully gone
In our hearts and minds your spirit lives
Your beautiful face and the smiles you'd give
Your warm hugs and embrace
No one could ever take your place
God came down and touched your shoulder
Lead you to the gates and said "come over"
Now we are blessed and have you watching us from above
May you spread your wings like a beautiful dove
In our hearts, our minds, our body and soul
We love you, truth be told
We felt your love, it was much adored
And we know that you "loved us more"*

- Your son, Jerrell
