Recessional

The moment that you left me

*My heart split into two. One side filled with memories,
the other side died with you.*

*I often lay awake at night when the world is fast asleep,
and take walk down memory lane with tears upon my cheek.*

Remembering

*you is easy, I do it everyday; but missing you
is a heartache that never goes away.
I hold you tightly withing my heart
and there you will remain.*

You see life has gone on without you, but it will never be the same.
