"Footprints"

"Lord, You told me when I decided to follow You,
You would walk and talk with me all the way.
But I'm aware that during the most troublesome
times of my life,

there is only one set of footprints.

I just don't understand why, when I need You most,
You leave me."

He whispered, "My precious child,
I love you and will never leave you.

During your times of trial and suffering, when you saw only one set of footprints,
it was then that I carried you."
