A message from Mom: My Beautiful Angel

God has picked one of his best flowers. Mother loves you and you will always be in my heart, forever missed, rest in peace until we meet again.

Love Mother

*I Belong to him
You going to remember me
I am the one who always made you smile
Love to hug you like I haven't see you in a while
Made you dance with me all night long
And every record that played was my favorite song
Even made you two step with me so you can make a fool of yourself
I just wanted you to feel the love I had never felt
You know I loved to rap my rhymes
And reflect on all our precious time
I always said if I had wings I would fly
Well baby can you see I'm flying so high
So no need to question him or ask him why
Yes I made it, my time here is done
My battle is over my fight is won
But think of all the pain I had to overcome
The struggle the fear no more regret
My new home is only heaven sent
One thing about it you ain't gotta worry bout me
Because I'm in the place I'm meant to be
Forever loved, dancing my way into his kingdom*
