

God looked around His garden
and He found an empty place.
He then looked down upon His earth,
and saw your tired face.
He put His arms around you
and lifted you to rest.
God's garden must be beautiful;
He always takes the best.
He knew that you were suffering.
He knew that you were in pain.
He knew that you would never
get well on earth again.
He saw the road was getting rough,
And the hills were hard to climb.
so He closed your weary eyelids,
and whispered "Peace be thine".
It broke our hearts to lose you
but you didn't go alone,
for part of us went with you
the day God called you home.

*I expect to pass through this world but once
Any good thing, therefore that I can do or any kindness I can show
To any fellow human being let me do it now
Let me now defer nor neglect it
For I shall not pass this way again.
