## Poem

You departed from this life, but never from my heart  
A million times I've needed you, a million times I've cried.  
if love could have saved you, you never would have died.

In life I loved you dearly, in death I love you still

In my heart you hold a part, no one else can fill

It broke our hearts to lose you, but you didnt go alone

A part of us went with you the day

God called you home. by Rhonda Bey

### Poem 2

The moment that you left me, my heart was split in two

One side was filled with memories, the other side died with you.

I often lay awake at night when the world is fast asleep, and take a walk  
down memory lane, with tears upon my cheek.

Remembering you is easy, I do it every day, but missing you is a  
heartache that never goes away.

I hold you tightly within my heart, and there you will remain; you see  
life has gone on without you, but will never be the same.
