

Heaven's Rocking Chair

Are there rocking chairs in Heaven
where little babies go?
Do the angels hold you closely
and rock you to and fro?

Do they talk silly baby talk
to get a smile or two,
and sing the sleepy lullabies
I used to sing to you?

My heart is aching for you,
my angel child so dear.
You brought such joy into my life,
the short time you were here.

I know you're in a happy place,
and in God's loving care.
I dream each night I'm rocking you
in Heaven's rocking chair.

In Loving Memory

Emily-Jade Kay Dobie was born on October 24, 2022, to Seth Dobie and Madison Hattery. She left her earthly home unexpectedly on, February 25, 2023.

Madison and Seth adored their little lady. Seth, knew exactly what he was going to name her since he was 8 years old and had her on the fast track to being "Daddy's Little Girl", even though she was only saying "momma", "wigggle wigggle", "oink".

Emily-Jade was adventurous even at 4 months old, she was rolling over and interested in tasting new foods. She was very strong and a bit of a diva. She had a lot of personality early on, and even though she had a smile that could light up a room and your heart, she already could give you a look.

Emily-Jade was that happiest little girl and her love was real for those she love, it showed in her smile and in her eyes, the way she would light up when you were around her.

She enjoyed life, she would wiggle her body in a joyous way while saying "wigggle wigggle wigggle" or "oink oink" (if her binkie was in her mouth) with her parents. She was so much fun and had a infectious joyous personality. She was the most joyful person you would ever meet..

Emily-Jade most definitely fulfilled her purpose in the 4 months she blessed our lives. She taught us to be joyful, loving, strong and adventurous. As we honor her life let us follow her example, remember to stay joyful, loving and strong and don't be afraid of trying new things.

She leaves to cherish her memory, her loving parents; Seth Dobie and Madison Hattery and a host of loving relatives.

From my view

From my view, you and Dad are sad.

I watch you both everyday.

How are you doing?

I know you're not okay.

I know you wonder about me.

I'm happy here.

I spend time with those you hold so dear.

I feel how much you love me, how much you miss me. I miss you.

I wish we could've had our life together, the life you and Dad had planned.

But for now, we'll wait for our time to be had.

This life left us temporarily divided.

But it won't last forever.

Just know I'll be right here to greet you.

Forever In Our Hearts
