

A Tribute to My Loving Mother

Mother,

I was so blessed to have a wonderful mother like you

You always showed me love, inspiration, and guidance in everything you'd do.

I thank God each day for a mother who was strong and great

Now take your rest, Mother

Job well done!

There's a place in my heart, where you will always be....

And day to day your bright light will continually shine through me!

Love, Your Children

*Miss Me but let me go
For this is a journey we all must take and each must go
alone....
It's all part of the MASTER'S PLAN
Just one step closer to Home!*

Words from your Loving Sister

They may say there is a reason
They say time will heal;
Neither time or reason will change the way I feel
Gone are the days we use to share
But in my heart You always be there
The gates of memories will never close
I miss you more than anybody knows...

Love and miss you everyday
Till we meet again on that special day
Always and Forever

Your Loving Sister
