

"I Have a Place in Heaven"

please don't sing, sad songs for me, forget your grief and fears, for I am
in a perfect place away from pain and tears.

I'm far away from hunger & hurt, want & pride, I have a place in heaven
with the master by my side.

My life on earth was very good, as earthly lives can go, but paradise is
so much more than anyone can know.

my heart is filled with happiness, and sweet rejoicing, too, to walk with
God is perfect peace, a joy forever new.
